This video, which is part of the ICAO and Industry CFIT Task Force Programme for the prevention of CFIT, examines three CFIT accidents and presents cockpit voice recorder data and simulations to illustrate accident reduction strategies. It also demonstrates the use of the CFIT checklist.

The English version of this video can be ordered from the Flight Safety Foundation (FSF) by accessing their web page at
<http://www.flightsafety.org/ecommerce>.

A related training aid, CD-ROM 725281 Controlled Flight Into Terrain, Education and Training Aid, contains the English narrative of the video.
